Credit Suisse and Citigroup are authorised by the Prudential Regulation Authority (the "PRA") and regulated by the FCA and the PRA in the United Kingdom. Deutsche Bank AG is regulated by Germany's Federal Financial Supervisory Authority, BaFin, and is also authorised by the PRA, but may only be subject to limited regulation by the FCA and the PRA and is acting through its London branch. Each Bank is acting exclusively for the Company and no one else in connection with the Offer. They will not regard any other person as their respective clients in relation to the Offer and will not be responsible to anyone other than the Company for providing the protections afforded to their respective clients, nor for providing advice in relation to the Offer, the contents of this announcement or any transaction, arrangement or other matter referred to herein.

In connection with the Offer, each of the Banks and any of their respective affiliates, acting as investors for their own accounts, may purchase Ordinary Shares and in that capacity may retain, purchase, sell, offer to sell or otherwise deal for their own accounts in such Ordinary Shares and other securities of the Company or related investments in connection with the Offer or otherwise. Accordingly, references in the Prospectus, once published, to the Ordinary Shares being offered, acquired, placed or otherwise dealt in should be read as including any issue or offer to, or subscription, acquisition, placing or dealing by any of the Banks and any of their affiliates acting as investors for their own accounts. In addition, certain of the Banks or their affiliates may enter into financing arrangements and swaps in connection with which they or their affiliates may from time to time acquire, hold or dispose of Ordinary Shares. None of the Banks intends to disclose the extent of any such investment or transactions otherwise than in accordance with any legal or regulatory obligations to do so.

None of the Banks or any of their respective directors, officers, employees, advisers or agents accepts any responsibility or liability whatsoever for, or makes any representation or warranty, express or implied, as to the truth, accuracy or completeness of, the information in this announcement (or whether any information has been omitted from the announcement) or any other information relating to the Company, its subsidiaries or associated companies, whether written, oral or in a visual or electronic form, and howsoever transmitted or made available or for any loss howsoever arising from any use of this announcement or its contents or otherwise arising in connection therewith.

In connection with the Offer, Deutsche Bank as "Stabilising Manager", or any of its agents, may (but will be under no obligation to), to the extent permitted by applicable law, over-allot Ordinary Shares or effect other transactions with a view to supporting the market price of the Ordinary Shares at a higher level than that which might otherwise prevail in the open market. The Stabilising Manager is not required to enter into such transactions and such transactions may be effected on any securities market, over-the-counter market, stock exchange or otherwise and may be undertaken at any time during the period commencing on the date of the commencement of conditional dealings of the Ordinary Shares on the London Stock Exchange and ending no later than 30 calendar days thereafter. However, there will be no obligation on the Stabilising Manager or any of its agents to effect stabilising transactions and there is no assurance that stabilising transactions will be undertaken. Such stabilisation, if commenced, may be discontinued at any time without prior notice. In no event will measures be taken to stabilise the market price of the Ordinary Shares above the price at which each Share is to be issued or sold under the Offer (the "Offer Price"). Except as required by law or regulation, neither the Stabilising Manager nor any of its agents intends to disclose the extent of any over-allotments made and/or stabilisation transactions conducted in relation to the Offer.

In connection with the Offer, the Stabilising Manager may, for stabilisation purposes, over-allot Ordinary Shares up to a maximum of 15% of the total number of Ordinary Shares comprised in the Offer. For the purposes of allowing the Stabilising Manager to cover short positions resulting from any such over-allotments and/or from sales of Ordinary Shares effected by it during the stabilising period, the Selling Shareholder will grant the Stabilising Manager an over-allotment option, pursuant to which the Stabilising Manager may purchase or procure purchasers for additional Ordinary Shares up to a maximum of 15% of the total number of

Ordinary Shares comprised in the Offer (the “**Over-allotment Shares**”) at the Offer Price. The over-allotment option will be exercisable in whole or in part, upon notice by the Stabilising Manager, at any time on or before the 30th calendar day after the commencement of conditional dealings of the Ordinary Shares on the London Stock Exchange. Any Over-allotment Shares made available pursuant to the over-allotment option will rank pari passu in all respects with the Ordinary Shares, including for all dividends and other distributions declared, made or paid on the Ordinary Shares, will be purchased on the same terms and conditions as the Ordinary Shares being issued or sold in the Offer and will form a single class for all purposes with the other Ordinary Shares.

Certain figures contained in this document, including financial information, have been subject to rounding adjustments. Accordingly, in certain instances, the sum or percentage change of the numbers contained in this document may not conform exactly with the total figure given.
